

## OUR WISH LIST

On any given day, our staff and volunteers are caring for about 50 patients who are approaching the end of their lives. Some live in our six-bed residence on East King Road and we are always looking for ways to make the surroundings more personal and comfortable for our patients and their families.

We offer our deepest gratitude for this community's generosity and humbly submit our wish list.

### **Music/CDs**

CDs featuring soft acoustic or instrumental music  
Gift cards to Buffalo Street Books, Barnes & Noble, or Amazon for CDs for our collection

### **DVDs**
